

A large industrial facility, likely a refinery or chemical plant, is shown at night. The scene is illuminated by numerous warm yellow lights from the facility's structures and pipes. In the foreground, three large, white, cylindrical storage tanks are visible, each with a metal walkway and railings on top. A man with a beard, wearing a blue hard hat and a dark blue work jacket over a blue shirt, stands in the lower right foreground with his arms crossed, smiling at the camera. The background shows a complex network of pipes, valves, and industrial buildings, with a mountain range visible in the distance under a twilight sky.
